- Vector-based movement
- Time Limit
- 360° Aiming
- Epic Soundtrack
- Enemy AI
- You will probably die. A lot.

Features

- Item system
- Equip different weapons!
- Keyboard and Mouse Support

Items

Items are found inside barrels, and will aid you in your escape. They include:

Assault Rifle

This gun sports a high refire rate, making it ideal for bursting down enemies.

Sniper Rifle

High damage and accuracy make long range sniping this gun's forte.

Shotgun

A large, multi-shot spread makes this gun good up close and personal.

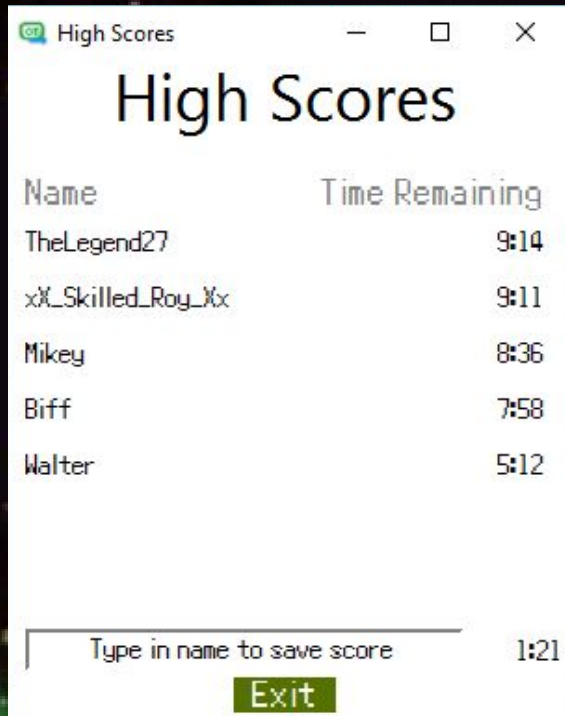

Health Pack

Restores 50% of your HP. Useful in a pinch!
Trust me, you'll need one of these.

Features

- High scores! Compete with your friends and try to beat the records!

Beware...

In this dungeon, scientists have been researching how to create the ultimate lifeform... you will have to defeat it in order to escape.

Only the most cunning and valourous people can survive its wrath.

Steel yourself, for the path to freedom is nigh once you've accomplished such a daunting task.
